You are cordially invited to attend the 2009 Gala Dinner and Concert which will take place in the magnificent Lincoln Hall of The Union League of Philadelphia. The concert will feature the Philadelphia Youth Orchestra (PYO) under the direction of Maestro Louis Scaglione. Join us in celebrating 69 years of superior education, which the PYO program has provided to many generations of young people throughout the greater Delaware Valley.

The proceeds from the evening help fund the PYO scholarship and financial aid fund. Through its educational and music activities, the PYO program builds a strong sense of character and teaches discipline, commitment and maturity to its students. The PYO program is an outstanding example of young people achieving extraordinary accomplishments in an encouraging and supportive environment.

We are proud to feature one of our newest additions to the PYO family, PRYSM (Philadelphia Region Youth String Music) orchestra under the direction of William dePasquale, former Concertmaster of The Philadelphia Orchestra.

Throughout the evening, artwork by prominent local artists will be displayed and available for sale. The show will feature paintings, pastels, photography and watercolors. The proceeds from the sale of the art will benefit the PYO scholarship and financial aid fund.
