You are cordially invited to attend the 2010 Gala Dinner and Concert that will take place in the magnificent Lincoln Hall of The Union League of Philadelphia, featuring the Philadelphia Youth Orchestra (PYO) under the direction of Maestro Louis Scaglione. Join us in celebrating 70 years of superior music education that the PYO program has provided to many generations of young people from throughout the greater Delaware Valley.

The proceeds from the evening help fund the PYO scholarship and financial aid fund. Through its educational and music activities, the PYO program builds a strong sense of character and teaches discipline, commitment and maturity to its students. The PYO program is an outstanding example of young people achieving extraordinary accomplishments in an encouraging and supportive environment.

We are proud to feature one of our newest additions to the PYO family, the PRYSM (Philadelphia Region Youth String Music) orchestra under the direction of William dePasquale, former Co-Concertmaster of The Philadelphia Orchestra.

This year, our art show and sale proudly presents works by the prestigious Studio Incamminati. Throughout the evening, artwork by artists under the tutelage of Nelson Shanks will be displayed and available for sale. The proceeds from the sale of the art will benefit the PYO scholarship and financial aid fund.
